

Aboriginal and Torres Strait Islander Health Incentive

	Item	\$	Explanatory Note
Indigenous Health Practice Incentive Payment (PIP)	Sign-on Payment	\$1000 per practice	<p>A one off payment to practices that join the incentive and agree to undertake the following to improve the provision of care to their Aboriginal and Torres Strait Islander patients with a chronic disease:</p> <ul style="list-style-type: none"> Practice must seek consent to register Aboriginal and Torres Strait Islander patients (regardless of age) who have, or are at risk of chronic disease with Medicare Australia in order to access support through the relevant Indigenous chronic disease package measure. Practice must establish a mechanism to make sure their Aboriginal and Torres Strait Islander patients aged 15 years and over with chronic disease are followed up (e.g. through use of a recall and reminder system or staff actively seeking out their patients to make sure they return for ongoing care) The practice must undertake cultural awareness training within 12 months of joining the incentive Annotate PBS prescriptions for eligible Aboriginal and Torres Strait Islander patients for the purpose of the Indigenous Chronic Disease Package PBS Co-payment Measure.
	Patient Registration Payment	\$250 per patient	<p>Payment available for each Aboriginal and Torres Strait Islander patient aged 15 years and over, registered with the practice for chronic disease management in a calendar year and has:</p> <ul style="list-style-type: none"> Had (or has been offered) the appropriate health check for Aboriginal and Torres Strait Islander Australians (MBS 715) Has a current Medicare card; and Provided informed consent to be registered for the PIP Indigenous Health Incentive
	Outcome Payment Tier 1: Chronic Disease Management Payment	\$100 per patient	<p>Payment for each registered patient for whom a target level of care is provided by the practice in a calendar year.</p> <ul style="list-style-type: none"> Develop a General Practice Management Plan (GPMP) (MBS item 721) or coordinate the development of a Team Care Arrangement (TCA) (MBS item 723) for the patient and undertake at least one review of the GPMP or TCA (MBS 732) or Undertake two reviews of the patient's GPMP or TCA (MBS 732) during the calendar year or Contribute to, or review, a multidisciplinary care plan for a patient in a residential aged care facility (MBS 731) on two occasions
	Tier 2: Total Patient Care Payment	\$150 per patient	<p>To qualify for the Tier 2 payment, the practice must provide the majority of MBS services for the patient (with a minimum of any five MBS services) in the calendar year. This may include the services provided to qualify for the Tier 1 Outcome Payment.</p>

Registration for the PIP Indigenous Health Incentive and the **PBS Co-payment Measure** are independent of each other. A patient can choose to participate in the PBS Co-payment Measure and choose not to participate in the PIP Indigenous Health Incentive or vice versa. Practice should note that patients registered for the PBS Co-Payment Measure only will not attract a patient registration payment.

Eligibility for the PBS Co-payment Measure. The patient must:

- Identify as being Aboriginal and/or Torres Strait islander origin;
- Present with an existing chronic disease or chronic disease risk factor;
- In the opinion of the doctor, be likely to experience setbacks in the prevention or ongoing management of chronic disease if the did not take the prescribed medicine;
- Be unlikely to adhere to their medicine regime without assistance through this measure
